Perhaps set up some individual pre-meets for the first few weeks of December, and then if we need we can set up a recurring one after the holidays?

Unsure when (or if) the Alex briefing will be moved still for next week. Perhaps a regroup will be needed after the DD briefing this afternoon, so may be best to discuss this week when it's fresh. We can see how the briefing goes and the recommendations given from the DDs.

Hi everyone,

I was checking ahead to the holiday week next week and noticed that this meeting (8:30 BEAD pre-meet) has expired. Please consider the following two questions:

1. Should we or does anyone want to meet M through W of next week ahead of the briefing with Alex? (I realize that with the holidays quite a few of us are out of the office.)
2. It seems as if BEAD isn't off the "hook" with respect to possibly helping EFED. Would you all like me to find time on Tuesday morning to meet on a recurring basis for the weeks that follow Thanksgiving?
